

PASTURE RAISED. RANGE READY.

We would like to welcome you to the 41st annual Hall Ranch Angus Two-Year-Old bull sale. We appreciate your interest in our program and the genetics we continue to provide for your evaluation.

During the fall and winter, we have witnessed a number of our customers topping or near topping the markets with their quality feeder cattle and yearlings. We would love to have you be among them.

What are your program needs? Is it calving ease? Hall Ranch bulls can bring that to your program. Is it weaning weight? Hall Ranch bulls can add these pounds to your program. Is it quality replacement heifers? Hall Ranch bulls can sire easy keepers for your program. Is it consistency? Buy bulls from our program and Hall Ranch can offer that as well. Is it quality feeder cattle? Hall Ranch bulls will help you produce the feeder cattle that make the buyers bid.

If you don't want to take our word for it, ask our customers. Ask the buyers. Ask the people in the sale barns. Our two-year-old bulls are pasture raised and range ready. They will produce efficient, easy keepers with the power to grow and perform. They will sire moderate birth weight calves that have the potential to grow into functional cattle for the feeder markets. Hall Ranch bulls do the work every cattleman needs.

If you have any selection questions, give us a call. We always provide you with the opportunity to evaluate the bulls on their home ground 8 1/2 miles north of Bassett. We are working with DV Auction again, so you will also be able to view videos in February. Look for links on our website hallranchangus.com or on Facebook, Hall Ranch Angus, or Instagram, hallranchangus1902. If all else fails, the bulls will be in town on March 1st.

See you, Wednesday, March 2nd at Bassett Livestock Auction!

2022 SALE REFERENCE AI SIRES:

Deer Valley Old Hickory 4181
0.5 67 117 31 Proven sire for low birth, high performing, attractive progeny. Stamps his calves with extra growth and increased stature.

Musgrave 316 Exclusive
0.6 70 124 24 Larger outlines, higher performing version of his sire with the same body mass and phenotypic quality. His dam is a product of the Lassie cow family who's trusted in delivering fleshing ability, fertility and performance.

KR Synergy 7023
-2.2 69 115 20 Excellent calving ease with great phenotype, very correct, square and attractive. Tremendous eye appeal.

OWNED SIRES:

Connealy Uptown 360 0.5 71 122 28

Calving ease sire that was used successfully on our heifers.

Mohnen South Dakota 464 3.2 59 95 17

Exceptional depth with loads of natural muscle. Extremely sound with great feet.

SS Niagra E34 -0.3 58 119 37

A calving ease sire with added growth. Should produce great females with awesome udders.

Sitz Investment 584D 1.2 80 138 33

Bulls that will add extra growth, big-topped cattle.

KR Incredible 8516 0.6 76 140 32

Out of a first calf heifer. He is long, deep and correct in his makeup.

MAF Armory 85 1.1 62 110 39

This Armory son has performance, carcass quality, maternal capability, calving ease, structure and has a balanced set of EPD's. He has added bone, big foot and a great temperament.
