

PASTURE RAISED. RANGE READY.

We want to welcome you to the 43rd annual Hall Ranch registered Angus bull sale. These two-year-old bulls are pasture-raised, range-ready, and will work for you. We appreciate your interest in our program and the genetics we have continued to develop and provide for your evaluation.

The industry we find ourselves working in provides us with plenty of rewards and several different challenges. Over the year, we have been blessed to have seen an abundance of rain followed by a winter full of snow. We've witnessed the drastic temperature changes that the place we call home deems normal. One thing remains the same, throughout these blessings and hurdles, we love to run black cattle. So please, look at our genetics to see if they will help your program like they have helped countless others throughout our 60+ years in the registered Angus business.

During the fall and winter, we have witnessed several customers topping or near topping the markets with their quality feeder cattle and yearlings. We would love to have you be among them. We know our product will help you succeed. Ask our customers if you don't want to take our word for it. Ask the buyers. Ask the people in the sale barns. Our two-year-old bulls are pasture-raised and range-ready. They will produce efficient, easy keepers with the power to grow and perform. They will sire moderate birth weight calves that have the potential to grow into functional cattle for the feeder markets. At Hall Ranch, we believe the bulls do the work every cattleman wants out of their sires.

If you have any selection questions, give us a call. We always invite you to evaluate the bulls on their home ground 8.5 miles north of Bassett. We are working with DVAuction again, so you will be able to view videos in February. Look for links on our website, www.hallranchangus.com, or on Facebook, Hall Ranch Angus, or Instagram, @hallranchangus1902. The bulls will be in town on March 5th if all else fails. The sale will take place Wednesday, March 6th, at the Bassett Livestock Auction!

See you, Wednesday, March 6th, at the Bassett Livestock Auction!

2024 SALE REFERENCE AI SIRES:

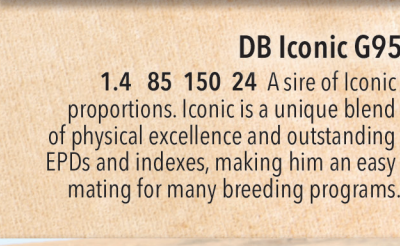

SITZ Stellar 726D
-0.2 69 126 17 Powerhouse individual that combines an outcross pedigree with great maternal design. Proven foot quality improver with added substance and fleshing ability.

Musgrave 316 Exclusive
0.9 65 119 29 More extensive outlines, a higher performing version of his sire with the same body mass and phenotypic quality. His dam is a product of the Lassie cow family, which is trusted to deliver fleshing ability, fertility, and performance.

KR Synergy 7023
-2.4 71 112 25 Excellent calving ease with great phenotype, very correct, square and attractive. Tremendous eye appeal.

DB Iconic G95
1.4 85 150 24 A sire of Iconic proportions. Iconic is a unique blend of physical excellence and outstanding EPDs and indexes, making him an easy mating for many breeding programs.

Ellingson's Three Rivers 8062
6.2 101 178 18 A breed leader for weaning and yearling growth. He sires big-bodied, stout-made, high performing cattle.

OWNED SIRES:

Hart No Doubt 0521 0.8 73 136 29
The calving ease, growth, and carcass merit are top-notch in this pedigree. No Doubt is backed by a cow with proven results. The day I bought this bull, I couldn't believe his eye appeal, width, and depth of body.
TR MR Element 8353 1.8 77 131 25
Moderate birth weight in a compact package that provides added growth.
